academically and in sports.**

INTERNATIONAL SOCCER ACADEMY

ASU Prep Digital

QUALITY

ASU Prep Digital is a fully accredited K-12 school founded by Arizona State University.

CURRICULUM

ASU Prep Digital leverages cutting-edge technology to bring students rigorous, personalized learning experiences.

STUDENT SUCCESS

ASU Prep Digital offers students a unique support system to assure their success.

- Individual Enrollments
- Dual Diploma Program
- Certificates of Completion options
- US High School Diploma

Individual Enrollments

Students can choose from over 50 middle and high school classes that align with the national and state standards.

Certification of Completion

Students can receive documentation on their academic achievements from ASUPD. In addition, students can receive ASUPD official transcript for completed classes.

The Ace

Drew

11th Grade | Full Time Student

Drew's tennis ambitions led him to ASU Prep Digital and now he has an edge on and off the court.

▶ FOLLOW DREW'S DAY

Dual Diploma Program

Students are able to complete a US high school diploma while finishing local high schools. This program offers advantages for students who plan to study abroad.

US High School Diploma

Students can enroll at ASUPD full-time academy to take classes with peers from around the world and complete a US high school diploma.

ASUPD Student Support Model

Guided Discovery

Discovery Learning Experience

- ASUPD classes are developed with digital activities to maximize student interaction and engagement with the content.
- With built-in assessment for all classes, students have the ability to self-pace and advance as needed.
- Instant and corrected feedback allows students to master concepts faster and track their progress along with way.
- Weekly live sessions are designed to provide face-to-face interactions.
- Students will use the learning management system (Canvas) to communicate with teachers and peers.
